“ My cousins know how much I love my Aunt Joan and Uncle Wallace. Being part of the organized chaos of their family was such a joy in my life. I remember Joan’s pinto beans and cornbread, spaghetti sauce, oatmeal cake, and cherry pie. When I was at TU she made me a birthday cherry pie. The first one even had melted birthday candles! I remember her smiles, her laugh, her wisdom, and her love. She was my second mom. While she will be missed, I feel that she’s forever with me. May her memory be a blessing to all who knew her.
