“ We will always remember our trips to Tulsa and Jack made us feel so at home. He always set things up to visit and see the finest of Tulsa. He was a selfless man and he will be missed. Our love and condolences go out to the whole family. May you be at peace.

“ Blessed Lord We give you all the glory for allowing us to experience and be a part of Jack (Big Daddy's) Life. His heart, his mind, his spirit and his love of God are examples for all to follow! In Jesus we pray Amen P.S. What we will miss the most were your hugs, they showed us your Unconditional Love, that told us you cared and worried about us, and when we called and you answered the phone you always said “ Well Hello There ”! We Love You Big Daddy! Kathy and Mark

“ We who were family were given a Father who gave us a life that was filled with laughter, successes, and questions.
Jack (Big Daddy) gave us a life that was filled with answers to our questions, Love that was unconditional, and hugs that told us how much he cared and worried about us.
Jack was filled with enormous strength of mind, body, and spirit and his love for God was an example for all to follow.
We will miss him and especially that time when he was at the other end of the phone, and he would say when he answered, “ Well Hello There “! We Love You Big Daddy
