“ Your mom, my aunt was so beautiful inside and out ! Praying for you as you mourn the loss of you mom but celebrating the life she lived! May her legacy of faith and love for family/friends always make your heart happy.

I will always remember the many games of scrabble and catagories we played with popcorn and coke cola in hand. Most significant were the many discussions about God , following Christ and faith. Your mom and dad were one of the first I reached out to when I became a born again Christian in 1988. They were a big part of that journey .

I am grateful for the years your mom and mine would get together . You were the only cousin I knew growing up. I miss you cousin and I pray we can visit soon.

Love you all and so thankful to have known and loved your momma.

“ Dianne- So many wonderful memories of your beautiful mother Juana. She was not only your mother but the grandmother to Brady and "honorary" grandmother to so many. Very grateful I was able to know her and have her as a part of our lives. It bring a smile to my face when I think about her love of Coca-Cola and her daily walks to the cul-de-sac. She was just was sweet as she was feisty. Thoughts and prayers! Love you all, Brandon, Shannon, and Landon
