“ My favorite memory of you was you listening to country music and telling me all the songs that were for me. The times you took me dancing and teaching me how to dance. Our quiet times at night when we prayed for our families and our discussions of what we would do when the house was quiet with all the kids gone. I miss your humor that would make me laugh so hard my stomach hurt. The times on our porch when we tried to solve all life's problems. My most favorite memory was when we went to Vegas and got married. I will go back one day and remember that special day. I love you Keith Crawford!
