

## Kelly Joe Deeds

May 9, 1970 - June 17, 2014

Celebrating the life of Kelly Joe Deeds, born on May 09, 1970, in Albuquerque, New Mexico. Kelly graduated from Union High School in 1989. Kelly attended TCC and went on to get his journeyman's license to become an electrician. Kelly was a light that burned out way too soon. He was a friend to everyone that he met and would do anything for anyone without giving it a second thought. Kelly's health had been failing for a few years, but he never gave up hope or lost faith that he would be okay. He was loved by everyone that knew him, especially by his family. Kelly is survived by his father, Winston Deeds; his sister, Traci Lynne Ward; his niece Zoe Ward; his nephews, Miles Ward and Dylan Hall; his aunt and uncle, Barbara and Larry Alexander; Jeff Ward, Sherry Mayfield and countless friends he met along the way. He was welcomed into heaven with open arms by his grandmother and grandfather, Katherine and Joe Deeds. Visitation will be held at Floral Haven Funeral Home on Monday, June 23, 2014, from 10 am – 7:30 pm. In lieu of flowers, the family is asking for donations to be in Kelly's honor and name, to the Arthritis Foundation.

“ We were saddened to hear about Kelly's passing and sent a card to the Toledo address where we sent our firewood checks, but it was returned. Decided to go online and was pleased to find this site. Just wanted his family to know how very much we respected him, and enjoyed visiting with him. We very much wanted to let them know that they are in our hearts and prayers. Sincerely, Larry and Linda Arnett, long time customers and admirers of Kelly Deeds.

“ I knew Kelly for some years. Kelly was a very good man and a hard worker. I remember if he was not working as an electrician, he always had plenty of wood for sale. My condolences go out to the family. You are in my thoughts and prayers.

“ Kelly was the first boy at school school I ever fought with! I remember him making leather bracelets in Mrs. Peterson's class and always wanting to arm wrestle me! He beat me a couple of times. Along with Pam (Johnston), the three of us were the tether ball champs throughout elementary school. That's the way I remember it anyway! He was always so mean to me, chasing and teasing me at all the Friday night football games. Later I learned it was maybe because he had a crush on me! I know he looked up to his sister, Traci and had great respect for his Dad, Winston. If his dad left instructions for him to follow or a time he was to be home; he made sure he obeyed. He loved it when his sister got her driver's license and could take him along with her. We never stayed in touch after middle school, when he moved to Broken Arrow. I was sad to hear the news this morning and I'm sure he will be missed by so many. RIP Kelly Joe from Coca Mo

“ I didn't know Kelly well, but as a firewood customer of his, I remember his big smile. I didn't need a lot of wood from him or very often, but he was always willing to accommodate my special stick size and mix of seasoned/green request and my schedule. My rack was in a bad spot with lots of stairs to get to it, he never complained. He was fair with his prices. We would always visit a little when he came to my home, even if his trailer was loaded down with wood that would take him until mid evening to deliver. Our chats were as if we were old school chums. A very hard working and pleasant man. R.I.P. Kelly.JHK
