

Kelly Pruitt

December 26, 1962 - May 5, 2020

Kelly Denise Pruitt, 57, was born on December 26, 1962 in Kansas and passed on May 5, 2020 in Oklahoma.

Kelly was a wonderful spirit who always loved her family, spending Christmas with them and decorating her home and the tree for the holidays. As a child, she made sure she could do whatever her older brothers could do, riding horses, shooting, and riding bicycles miles from home to see friends at another farm. Kelly was very creative making holiday graphics, decorations, and woodworking items for others. She enjoyed running a snow cone stand summers for a number of years so she could see how excited the children were that came to get their cones. She fondly recalled the summers and Christmases she spent as a child at her grandparents' home in rural western Kansas and all the love experienced by all. She very much cherished her sons Chad and Josh, her grandchildren Chaz, Brody and Natalie, and her daughter-in-law Jennifer. She always had exciting stories of how much fun it was to see her sons and later grandchildren learn and experience life. She worked fearlessly long weekend and night hours at care centers, fabricating shops and whatever other jobs to provide for her family. Kelly will live on in spirit in those she loved and we look forward to the day we can see her again in heaven when the Lord calls us

No services planned at this time.

“ I will miss Kelly to the moon and back! She gave so much and asked so little. Her life represents love, kindness, and commitment to everyone she crossed paths with. In the end she reminded me of what true friendship is. We laughed a lot and in the end we cried. Cancer sucks!!! She was one of the coolest and funniest people to work with. The love of her family carried her through this journey. I will miss that blue eyeshadow the most . We will meet again Sis! Love always Lisa

“ I knew true love kindness and friendship because I knew Kelly. There are so many aspects and depths to who Kelly was and always will be. To know her is to know love and it's enough. that is what she gave to everyone, a special kind of never ending love. There will never be another and that's ok. She simply and completely gave enough. I love and cherish you friend. I'll see ya soon. Love always. Cassie

“ Kelly was a friend to all. Her compassion was always there who needed it. We had good times and laughed at our bad times, but we always made the most of it. I was lucky to know her and will never forget her. Cassie said it all... I will miss you my friend but know that our paths will cross again... You will always be loved. You were touched by a angel, go in Peace and Love... Always gwen
