“ Kevin, Donna and family There are no words at this time. Please know that you all are in our prayers. Kevin was such a wonderful person with a smile that would light up the room. Our family is richer for having had him in our lives. May your memories be vivid and many. May God's Holy Spirit bring you peace and comfort. Our prayer for Kevin: "Eternal rest grant unto him Oh Lord. And let the perpetual light shine upon him. May his soul, through the mercy of God, rest in peace."Pat and Debbie Donica

“ When I heard this tragic news I had a hard time accepting it as reality. I can not get my head around it and I will probably never fully understand. What I do know is the amount of fun I had the last two times I got to spend with him and that is what I will always remember. Our golf outing/draft party was an amazing time and Kevin had us laughing every day. I think he was the only person that played "Never been to Spain" more than Murph. The last time I had a chance to see K-Dude was the happiest day of my life-my wedding. At the end of the night all I remember was K-Dude thanking me over and over again for having him there for our special day. I remember it because I could tell he was genuine and that meant a lot to me. There was no need to thank us, I was happy he wanted to come but that is the type of person he was. I am sorry I did not see him more and it hurts writing this knowing I will never speak with him again. Kevin, I will never know why you felt it necessary but I can only hope and pray you are at peace. We love you buddy and miss you dearly. Lastly, If I had to say one thing about him that I will always remember, it would be the simple fact of how easy he made it to like him. It takes me time to warm up to people, but K-Dude was so inviting to myself and others that you couldn't help but like him as soon as you met him. It sounds simple but its rare to find someone that genuinely cares about the people around him no matter who they are or how long he has know them. And that is what makes this tragedy so difficult for me to understand. Rest in peace my friend...Jeff GThe photo attached is the last time I had a chance to see him.

“ Donna, what can anyone say at a time like this. First I would like to offer our condolences to you and your family. I know that there is nothing that anyone can say that would bring Kevin, K Dude back. But I just want you to know, in the few times that I've been around Kevin I was really impressed in what a nice kid (young man) he was. I think I told you before when we visited your home this past spring in Broken Arrow, Kevin went out of his way to make sure all us out of towners were comfortable and made us feel at home. He fit in with us and that was no small feat with all the goofballs that invaded his home. He never complained and I think he actually enjoyed having us around. I know we all enjoyed having him with us. He will certainly be missed. we were all honored that Kevin was able to share our moment at Jeff's wedding this past May. I was able to talk to him for a few minutes and thanked him for being there with us. We will never forget him and he will be in our prayers along with you and your family. Once again, our condolences may God bless you all. Love, Walt, Kathy and Jennifer
