Larry was born on a very cold January morning. He weighed less than six pounds. He was born in Missouri, the show me state, which did not put weight or length on his birth certificate. Being small in stature has nothing nothing to do with strength or heart. But, due to total hearing loss in his left ear there was no chance of reaching his dream.He rose to Senior Petty Officer with E-7 Rank. He is a plank owner on the USS Sterret. After being discharged he came home and resided with his mother until he married. Raising two children and what a job he did.They always had his protection and love. But, he gave them wings. Both children are college graduates with families of their own. After living as a bachelor for several years Larry found a true loving companion Larry married the love of his life, Donna Rae Putnam, on May 21, 2005, at the Angels Among Us Wedding Chapel, in Eureka Springs, Arkansas. “ With his Oklahoma twang and abundance of stories, Uncle Larry lit up every campfire with his own flare and spunk. Hearing the stories told always brought a smile to my younger ears and i always knew i was getting some insight into adulthood.He was so quick to solve problems and had a mechanical or mathematical solution to any hiccough we may have had out on the river.The annual River Trips wont be the same without his lively spirit or not to mention his gourmet meals. He will be greatly missed.

“ From as far back as I can remember, there was Uncle Larry. When I was a small girl growing up in Lakeside, California, I remember him visiting while he was in the navy, quite often bringing with him his best buddy, Fritz. When they got together with my dad, it was 'good time had by all and shenanigans as well'. Any occasion that included Uncle Larry was always more fun and much more laughter than when he wasn't there. We had some great talks after I lost my mom (his sister-in-law Catherine) and he really helped me through that. And boy! did he love his kids!!! He was extremely proud of them every day of his life. I love you, Uncle Larry,Dawn (Sullivan) Fehri

“ I have many great memories of Larry. He was always eager to help out, whether it was trimming a tree at my house or showing me how to price out a panelboard. We had some fun on business trips and spent many afternoons together on the golf course. He will be missed by many. My deepest sympathy to Donna & Larry's family.
