“ What a good man. Always kind and smiling at everyone that passed by in the halls of METRO.....It's funny how you remember people. I didn't know Mr. Frohrip very well but I always got a good feeling when I was around him and his sweet wife. Just all around good people. So sorry he's gone John but he left quite a legacy and you are following close in his footsteps. Your a good friend. God Bless you & your family.
