“ Lowell how you were loved by so many!!! I will never forget you telling me to "clean my car up"....just like a Father would do!!! You have lived a wonderful life and now you share Heaven with your beautiful wife, Betty. What a love story you two made! Just your love for each other was seen in so many eyes and you both held each other in the highest esteem!! That's what made you both so very special. You had a wonderful family and may your legend live on forever! We'll always love you! Jeff and Jovanni Slankard

“ We both are going to miss the both of you immensely. Betty's smiling face and firey red hair, that matched her personality and Lowell's booming bass voice crooning those beautiful Jim Reeves and Ray Price songs will always be in our hearts and minds. Rest in peace...you've earned it.

“ Well, I know the lonely feelings of being left to carry on alone, guess it was your time to continue on with Betty. To the kids and grandkisd, may God be with you guys and your loss especially at this time of the year. A loss is hard at anytime, but holidays are harder and I pray God will give you guys the extra strength to get through. Had so much fun with you and Betty. Glad our lives connected for a short time and were able to enjoy it for awhile. God be with you guys family....
