“ Yes, Ms, Kitty, you will be well remembered by all the American Iris Society members who were fortunate to have known you. Your great smile and loving hugs will be in our memories forever. When you and CJ were so involved with AIS, as was I, it was a pleasure to talk to you both and figure out an answer to our problems! It was so good to see you at the second AIS convention in Dallas and we so enjoyed our dinner with you and Ramona. You and CJ will have a beautiful Iris garden in Heaven; I just know it! You both are in our hearts forever. Much love to a very special lady, Marilyn Harlow Maryott and Bill Maryott

“ Kitty was always such a treasure to us, especially once our own mother passed. We'd always wait with excitement for the trips her & Jennings made to see all of us and make sure we were doing alright. We just always felt better after we got a big hug from Kitty! We loved their visits and enjoyed so much laughter with them, And, loved the visits Kitty made by herself after Jenn passed! Kitty was one wonderful woman and she had a special way of making everyone around her feel special! We will always have a void in our hearts without her, but we know she will be enjoying being with Jenn and Mike and we'll all get to get a hug from her another day! We loved you so much Aunt Kitty! “ Greg, So sorry for your double loss. Gaile and I will miss both Kitty and Mike as I know you will too. She was delightful, always laughing and in a good mood. I have heard her say that it was about time to join Jenn as he had not been pestered by her long enough. As they say cousins are your first best friends and that was certainly true of you and Mike. Rest in Peace, Kitty, Jenn and Mike. With love, Rusty and Gaile.

“ Her picture is just how Kitty was every day. Smiling, laughing and enjoying life. There aren't words to tell how much we will miss her. We are very happy we had her as many years as we did. She was a beautiful, talented lady and was so good to us and every time we get in the little red van we remember how independent she was for so long. We loved her so much. Henry & Winnie

“ Our aunt Kitty was such a delight and provided constant moral support for us over many years. She and Jennings made multiple trips to visit us in California as we shared many Thanksgiving get-togethers. Kitty's involvement with the Iris Society Conventions created more visits from her and we loved to visit and laugh....she always had funny stories for our grandchildren and lots of trips down memory lane.We talked frequently and kept up-to-date about her boys and other relatives. Although she had many health issues along the way we never heard her complain about anything. We always ended our conversations with "I love you" and Kitty would always add "I love you bunches and bunches and bunches".Whenever Greg visited Kitty in Tulsa she would laugh and say I have a long list of "honey-dos" when he gets her.Greg, we know how close you have been with your mother and brother, Mike. Such huge losses to overcome. We know you were there for Kitty and made the last part of her journey more meaningful. She loved you so much and appreciated all you were able to do for her.We will forever hold Kitty close and dearly in our souls.With our sympathy and love,Beverly & Ed Andrisek
