“ Charlene and Family We are so sorry for the loss of your dear Mother and the last of our dear aunts. What a joy it has been to know each one of them, You have been the perfect daughter taking such good care of her and I know you are hurting so bad having to give her up. Our prayers for comfort our with you as you go through this final step in her life here on earth and just think about what a good time she will have in her heavenly home being with her loved ones that have gone on before her. Our favorite memory of her was when we asked her how she keep such a beautiful complexion, she replied " OH I just use Ponds Cold Cream". She was indeed beautiful on the inside as well as outside. So sorry we cannot be there for her services but our hearts will be with you. Billie Barnes and Linda Jennings, Quapaw. Oklahoma (Daughters of Jessie Reed Clark)
