

Marie Louise Igrisan

March 20, 1942 - July 20, 2021

Marie Louise Igrisan, 79, of Broken Arrow, Oklahoma passed away on July 20, 2021. She was born on March 20, 1942, to parents Mack and Stella Semenuk. She married the love of her life, Daniel Igrisan, on May 14, 1976, and spent her life doing everything from working together to traveling together.

Always an avid quilter with a love for all things fabric, she spent a good portion of her life as a member of the American Quilter's Society. In 1989 she got to go to the American Quilters Society convention for the first time. When Daniel happened to get a call for work that was taking him down beside the convention. When Marie found out she quickly told him she was coming and taking off work. She continued attending the convention until 2014. She spent a lot of time as a waitress, and not just any waitress, but one of the best. She was able to handle large parties of 40-50 people easily on her own and was the lead on even bigger parties into the hundreds. As she got older she spent time working with charities like the ASPCA, and Toys for Tots which she would gather toys throughout the year to donate to. Even into her older age, she liked to keep busy. She has been described as always going somewhere, every day!

She loved to travel and had visited 40 states, including Hawaii, and several countries including France, Mexico, and Germany! Marie was everyone's friend, and everyone liked her! She was a talkative person and enjoyed being around people. It wasn't just people she liked being around though, having taken to adopting dogs from rescues and people that could no longer care for them. She lived an extremely full life and will be missed by so many.

She is survived by her husband Daniel Igrisan; her children Christina Rossier, and Diana Sallee and husband Jay; grandchildren Cory Hassler, Justen Timmerman, Jordan Dombrowski, Christina Rossier, Mark Perrone, and Jayson Sallee; great-grandson Austen Timmerman; siblings Gloria Semenuk, and Janice Hija and husband Stephen; along with a host of other family and friends.

She is reunited with her parents Mack and Stella Semenuk; and grandson Tyler McCrackin.

“ My family lived next door to Marie's family for most of our childhood. Janice and I looked up to Marie and I know we wanted to be like her. I remember spending hours at their dining room table chatting with Marie and her sisters and mom. I know the angels are welcoming her into eternal life.

“ Marie was my older sister too. We were both avid readers and were constantly exchanging books with each other---detective novels were our favorites. Marie was my caregiver when I had a terrible infection in my foot several years ago. She was a great housekeeper and made sure my house was spotless so my infection would not return. I live in Albuquerque and made several trips to see Marie since she moved to Oklahoma---driving through Texas was boring, but visiting Marie was always worth the trip. We made it a point to "see the sights" around Broken Arrow when I visited and occasionally would take a chance at the one-armed bandits at the casinos. I have some great memories to cherish and those memories will sustain me until we meet again. God love you Marie, Gloria Semenuk

“ To the entire family of Marie, Larry and I share in your sadness for the loss of your beloved wife, mother, and grandmother. She was a kind and compassionate person who made this world a better place. May you always feel the strength of her love, and may her Heavenly star shine brightly to light your way. With love and our MOST HEARTFELT sympathy, Larry Conti (her first cousin in Michigan) and wife Margaret

“ Marie was my older sister and special to me. Throughout our married lives, we talked on the phone for hours every Sunday as we lived in different cities, but when Covid struck, we spoke every day. I will miss those daily conversations with Marie about what we did that particular day. Marie and Dan came to my house every Easter, Thanksgiving and Christmas until their move to Oklahoma. I cooked and Marie served---a great combination. Marie gave me 2 of her hand sewed quilts, which I cherish and was always bringing me clothes which she was tired of wearing, but always looked brand new to me. She had the patience of a saint and ability to spend hours shopping in a store just to find that perfect item she was looking for. I will always cherish my memories of her and her kindness to me when I was young. She was special. It will be difficult for me not to call her on the phone and hear that "Hello." May the angles now carry her into Paradise. Janice Hija
