“ I was saddened to see the passing of Marsha Parrish. I will always remember the time she and her husband had me over for dinner and the advice they gave me when I made some money on a duplex. They were humble people and always an encouragement to me. I enjoyed the memories I shared with her kids in Singles group. You are in my prayers, Cheryl Cobb

“ What a precious gift from God that He gave me the privilege of being friends with Marsha for over 35 years. She was gracious, hospitable, and most of all, she pointed me to the Lord Jesus Christ and His Word every time we were together. She was faithful to her calling.....I Thessalonians 2:12 – "that you would walk in a manner worthy of the God who calls you into His own kingdom and glory." She walked in that manner, and encouraged the rest of those who knew her to do the same. She will be missed so much. We will see her new body and smiling face one day. Pam Devitt

“ We have very fond memories of Marsha! She was with us on our trip to Israel in 2006 w John Barnett, and we enjoyed her company so much. She gave us packing suggestions and helped me shop for things to take. She was also my first small group leader at TBC in the women's evening Bible studies. We loved her warmth, her willingness to extend herself to help others, and most of all, her love for the Lord. We are so sorry that she's been taken from us so soon, but know that she has shed an earthly body that has suffered much and that she is in the Lord's presence eternally now. Ours prayers are with your family now as you go forward without her physical presence in your midst; just know that she is now part of the "great cloud of witnesses" mentioned in Hebrews and that the separation is only momentary!
