“ Mr. Harper had a needlepoint picture on his office wall with the following saying that I felt defined him well. “ I pray that I may live to fish until my dying day. And when it comes to my last cast, I then most humbly pray, When in the Lord’s great landing net and peacefully asleep that in His mercy I be judged BIG ENOUGH TO KEEP!” I truly believe Mike was more than big enough to keep! Mr. Harper was a great angler but I believe his heart was even bigger as he was always there with a helping hand. We have all been so blessed with him at our side for so many years which we give great thanks to the Lord. You my Friend will truly be missed. Rest in peace.

“ There are those who have touched a lot of lives but every now and then there are those who have become a part of a lot of lives and somehow helped to define ourselves as the way we should all live and treat each other. A kinder soul you will never meet. You my friend were loved by all. Rest in peace.
