“ I remember her son Scott. I was a little younger than him, but liked and admired him very much. Looking back now I see that he was a wonderful boy. That was like 40 years ago, when we were in the same neighborhood. So I just wanted to write a few sentences here so the family would know that there are people they don't know, have never met, who still remember Scott and think of him fondly. Rest in peace.

“ Mrs. Frame was very much loved by the Zetas at East Central University. She taught us much by the example she set. She was as pretty on the inside as she was on the outside. Our hearts and prayers are with Tracy and her family. We lost a great lady!

“ My prayers and condolences go out to Nancy's family. Nancy and I were DNA cousins, and we developed a correspondence and friendship through Facebook. I intend to light a candle for her at a beautiful church in Maryland. I will miss her sense of humor, warmth, and intelligence.
