“ Greg, Jerry, Eric and Cindy: When I read about the loss of your mother, my sadness was overcome by a great rush of happy memories growing up together during those early years, we living next door on 4th Street – then again years later. So happy that our mothers had remained life-long friends as well. Wishing the Lord’s blessing during this time of grief.

“ Wishing Pat’s family peace. Jerry, it was so nice to spend a little time with you on Sunday. Pat was a joy in all that she did. I am blessed that I got to share that joy in the John Calvin Presbyterian Chancel Choir, Presbyterian Women and many other church activities. Thank you Pat for your friendship and for brightening my days.
