“ Patsy, I know you are at peace and having a wonderful celebration with your family members and mine who have passed away before us. What a reunion! I miss you more than words can say. Please give Brenda an extra hug and tell her it's from me. I'll say to you what I said to both Brenda and Donna and that is, " This is not good bye – this is just see you later = as I'll be along in God's time.". I love you my sister. = love Marsha
