“ I remember as a kid, about 55 years ago, spending most weekends in the summer, sailing with my family and friends on Lake Yahola, at Mohawk Park. I remember Buddy Isom and his son Greg. These were some of the best memories of my childhood. I was so sad when Greg passed away. To Buddy's family and friends, so sorry to hear of his passing. “ Bud was a great man. He wanted people to better themselves, but he also had a way of making you feel accepted as the person you were at that point in your life. He was full of wisdom, he enjoyed a good laugh, and he always had a story to tell. I'll miss him, and although I wish he was still with us, I know he's going to have fun running that big meat market in the sky like he always talked about. Safe travels Bud. You will always be missed. -Heather Dragneel
