“ I was so sorry to hear about the passing of Priscilla. She has always been a fun person to see at University of Mary Hardin-Baylor with her Class of '63. A talented person who shared her art in assisting her class with items for their reunions, she was so good. May God bless all her family as they work through her loss.Betty Sue Beebe Former Alumni Director, now Museum Curator, UMHB

“ Priscilla will be in our hearts and minds always. I've known Priscilla since the late 70s when we met at church and our children played together. I can hear her wonderful laugh and see her happy smile, eager to think of others, make them happy, and meet their needs. She was a good listener and encourager. And oh how she loved her family and prayed for them. Priscilla loved the Lord, believed, and had faith, which she passed along through example and words. She was majorly talented in whatever she attempted to do and had a design flair in home, crafts, art, and dress. The world and people in general are better because of Priscilla and her many ways of making them feel special, especially through the eyes of Jesus. She will be missed, and wonderful memories will linger forever. God bless! –Gayle McNatt

“ Priscilla will remain in my memories through our association in Christian Women's Club. She was the most "upbeat gal" with a marvelous sense of humor. She could have everyone "in stitches" with her gift to see the funny side of anything, serious or otherwise. She loved telling stories about her family, including the dog. I was so saddened to learn of her death when Mary Helen called. You all will be in my prayers as you celebrate Priscilla's life on Wednesday. God bless you all. Shirley Lane

“ I am going to miss my Aunt Priscilla, my encourager, confidante, prayer partner and friend. When my mom (Priscilla's sister) passed away, Aunt Priscilla filled in. She attended every important event in my life and the life of my children, even though we were 5 hours apart. I will cherish the trips she and I took, filled with so much laughter and fun. I am so sad there will be no more of those trips, but happy for the wonderful memories I now have. As Jada said, an amazing woman that touched every life she came in contact with. I miss her already! “ I can't begin to express how much I will miss my Aunt Priscilla. After my mom (her sister) passed away, she filled in for her, coming to everything important in my life and my children's lives even though we live 5 hours away. We took trips together for which I will cherish those very special memories. I am so sorry there will be no more of those fun trips, full of laughter but I smile as I remember those times and grateful for each one. She wasn't just an aunt, but an encourager, prayer partner, confidante and precious friend that I already miss. As Jada said – an amazing woman that touched many lives! Lea Ann Ferrell

“ My heart goes out to the family as Priscilla was such a vibrant personality. She and I were in the same Zumba class at the Platinum center for years. It was always nice to see her come in the door with a big smile on her face and a welcoming laugh. I can't remember her ever not smiling. This world has lost a wonderful woman. I am so happy to be able to say that she was my friend. My life was richer because of her. I only regret that I didn't have a chance to know her better.

“ There are so many memories about my mom Priscilla that I want to hold onto and cherish but one thing that everybody always knew and loved about her was her Love for others and her laugh that was heard wherever she was. I can't begin to think of life without this amazing woman, mother, and best friend. daughter, Jada

“ I miss her. She was such a special lady. She was one of the first people I met when I moved to Tulsa in '98 and had lunch with her and bellied-laughed the whole meal! My condolences to Ty and the girls! Donna Henry

“ Ty, I extend my sympathy in the loss of your wife. She will be truly missed by many. May God grant all of her family peace and comfort during this time and for years to come. May you have smiles on your faces by remembering all of the good times you have shared. I remember visiting with Priscilla at our 55th class reunion. We had a great conversation. “ I a so sorry to read about the passing of my almost life-long friend Priscilla. First we were neighbors when I moved to No. Little Rock. We lived one street over from one another starting in the 7th. grade. We graduated together, and were friends up until this day. I was just preparing to send her a birthday card. She visited me in Marquette, MI along with her daughter in the 90's. We always lived apart (miles) but always kept in touch. My prayers and heartfelt sympathy for her family. God has promised to be near to the broken hearted. Jo Ann Drake

“ I am so saddened to hear about my sweet friend and mentor. She was a jewell. I worked alongside her for a few yrs at Christian Womens Club. She always had a sweet presence about her and Jesus Love shined through her. one of my favorite memories of her was when she would do our Live auctions to raise money for our club..we had so much fun together doing them. She was such a vital part of our organization and even after my mom died and dad died 8 months later and my husband had been diagnosed with leukemia in the past three yrs, we had recently in the last yr reconnected and had djiined friends together on facebook. She was like a mom to me I told her being adopted in the fold...lol. As a younger gal in CWC. She laughed and said sure she would adopt me..she was always so carrying about what was going on in others lives. And my last special time last yr was when we met at Garden Ridge and she carpooled with all of us...gals to Dorea Potters home and had such a wonderful time..she will be dearly missed by many..I will be forever grateful for her legacy she left in my life and Jesus love she shared with me. I pray His love envelopes you during this time. please know I am praying for you. In His Love, Theresa Stewart
