“ My condolences to friends and family for this loss. It has been at least 15 years since I saw her, and will forever remember her big hat, long skirts, miles of bangle bracelets, and raucous laugh. Sleep well, old friend.

“ I have so many fond memories of Robbie! I consider her to be a dear friend. I will remember the delicious Key Lime cake she made me for my birthday! So yummy! She taught me how to make her delicious chicken enchiladas! And both her and I had love for the BOOMER SOONER! Robbie was someone I could always call when I needed a prayer warrior! Missing her will be an understatement!
