“ 8/2/2017 Today my friend Alice Walker told me she learned our friend Bob had passed away in February 2016. We & Rex Bennett another friend of Bob's are saddened by this news as Bob was our friend, my teacher & a simply wonderful work companion passing endless knowledge when asked about all things division order, current and relevant events concerning our profession. As Rex has stated, we have yet to learn what Bob had forgotten about the oil & gas industry we worked within. To Bob's family, we offer heart felt condolences to you on the loss of this wonderful gentleman, our world is a bit more shallow without him but Heaven is certainly laughing @ the quick wit and sharp humor. We miss Bob, individually & collectively & you are in our prayers. Our Heart felt condolences & true friends of Bob Call, Alice, Doug & Rex
