“ Steve was always a welcoming person no matter where you met him. He was so enthusiastic about whatever he was doing, a great manager and a great gardener. He will be missed by so many people. May God be with you, Pam and the rest of the family as you grieve this loss of a special human.

“ Well Big Taco, I was shocked and saddened to hear of your sudden passing through the surly bonds of Earth on your way to be with our Heavenly Father. Have no clue if they have a Taco Bar there, but look for one and I'll join you at the Bar in due time. I enjoyed the Buenohead's reunion and seeing you again. I know this is hard for Pam and the Boys, but they will know you are resting in a great place till the Trumpets sound, Christ returns, all true believers will rise from the grave, and we shall all know each other again. This is the best promise yet, Eternal Life through the Father and Christ. I love you Steve. Rest well. Not to worry about Pam and the Boy's, they are also covered by the Grace of God. They will have the same ticket to Heaven just like you used last Monday night. Love Forever-Barry L Baker Sr

“ Tricia, Randy Quan and family wish to express our deepest prayers to Pam, Matt, Brent and their families at this time. Steve was a great person that we got to know through our children. He was always there when the community was in need. Our daughter remembers Steve taking her and Brent to the chicken hut (church's) when he managed it. Steve was larger than life and will be missed by all. Rest in peace my friend. Tricia, Randy, Shaun and Traci
