Fond Memories.

I remember the good times we shared together. The road trips from North Carolina to New Mexico and finally calling Oklahoma our new home. I remember you taking time out of your busy schedule to go camping over the weekend. Sharing stories over the campfire and teaching how to fish in the morning. Looking back upon those moments, one has a tendency to take them for granted. Now that I'm an adult, I can truly say that having you as a father has been a true blessing. The love that you have given to your family is second to none. Being there for our mother during her sickness and still showing the same love for her since day one. Roderick and I are blessed to have you as our father. The memories and times that we have shared will remain true and dear to my heart. You will be missed but you are not forgotten. We Love You Dad. “ It’s not often I share thoughtful consideration of appreciation to a Brother In Law, but I LOVE my Oldest Sister “Myra” so very much, and I still miss her terribly; with that being said, I will not fall short to note my appreciation and admiration for Roger, for his unwavering love, devotion and support to my Sister throughout their marriage; Thank You Rodger, and may you now receive the fruits of your labor. Rest In Peace Brother In Law. (Levi)

“ I will always remember fondly my Order of the Arrow Vigil Brother, Roger. He was always a first class gentleman with a great sense of humor. His gentle warmth was as strong as the campfires we shared. He had a deep love for his children. I miss our times together, John Gastorf
