“ I worked with Rusty many years ago at Bud's Food Store. He & I became friends & I liked him very much. He could sometimes have a gruff exterior but once you talked one on one with him he was a sweetheart. He had a habit of calling females chicks & I'll never forget when all the asst. managers went to OKC for a meeting or something. They went out to eat & he called the server "chick" & she got in his face about it & gave him a hard time! As he was telling me about the incident later, He was laughing about it but I think he was actually a little bit embarrassed! First time for everything! Haha! Really sorry for your loss. And Cassie, I'm sure don't remember but you used to come to my house sometimes. My daughter was a little older but she loved you & treated you like a little sister. She died from a brain tumor over 20 years ago. I wish you well!
