“ *My brother Sam was a God fearing family man who believed in and followed the word of God. He loved his family and friends and enjoyed his grand kids but just as equally loved to read the bible. His faith made him strong and that helped him and his family when his time on earth was done. He now sits at the table of our Lord dining in peace now that he has met and been accepted by his maker. We now celebrate his life knowing tears will come at times when we think about what would Sam say or do. Rest easy brother your work is done. Amen.*

“ *Janet and family~ I am saddened to hear of your loss and pray that you feel God's peace and love. I know you have so many wonderful memories with Sam and I hope they are woven together like a beautiful quilt in your mind. Sam and Chandler share the same birthday and not a September 19th goes by that I don't think of Sam's sweet spirit and infectious smile. You will remain in our thoughts and prayers in the coming days, weeks and months ahead. If there is anything I can do for you, never hesitate to call. With Love, Julie and The Ferraro Family*

“ *We met when I was 15. Had two very dear sons together. My sincere condolences go out to Janet, his wife, his best friend, and the entire Wallace Family. Sam was a giving, loving man. His family was always first in his heart. He will be missed but never forgotten. May the Blessed Mother watch over his spirit and guide those he left behind to find peace. Jeri Barron*
