I have never met her children, but my thoughts and prayers are with you all. May God Bless you all. I loved your mom even when we are apart. my thoughts and prayers go out to all of you. May you Rest in Peace Stephanie. Here is a prayer that I would like to share. You hold time within your hands, and see it all, from beginning to end. Please keep and carry these precious people in their sadness and loss. Cover them with your great wings of love, give their weary hearts rest and their minds sleep. Lord , lift their eyes so that they may catch a glimpse of eternity, and be comforted by the promise of Heaven. We ask all this in the precious name of Jesus. I loved all of our family gatherings when we were just kids and those when we were adults. I and gonna miss you dearly Stephanie.

“ I remember her laughter. She was such a great cousin. I had not seen her in years, but I will always remember her smile and her silly side from when our families got together. God took another angel home. Stephanie you will be missed. I know that I have not seen you for a long time but I will miss and I love you. Go now and be with you mom, dad and Mike. MAY YOU REST IN.
