“ Dear Rick and Kelly, Your mom will be greatly missed by everyone who knew her. The Lambdin and Estes/Waggoner families go way back as being friends. Your Grandma Helen had the same flatware pattern as did Ferd's mother Ruth and she also had the same china pattern as my mother Dorothy; Helen left these things to Ruth and Mother in her will. Unbeknowst to me, Sue and I picked out the same china pattern many years ago, and I now have her china added to mine as she decided to sell hers years ago! Quite a coincidence. We're so thankful for the Memorial Day weekend Sue spent here in Caney and most of the time in our home. Many good laughs and memories brought back. We'll remember it always and miss here always. “ Aunt Sue was one my favorite high lights of weekends at the lake. Her house was always the good escape when you were feeling crowded. Love you and will forever have a place in my heart for you.

“ We have so many fond memories of Sue. Her folks and mine were best friends in Caney. I grew up knowing and loving Sue. My sister, Pat, and Sue were friends and so much fun. Sue was like another sister to me. We always thought of her as a member of the Estes Family. We had been together in Caney Memorial weekend. A happy time..alot of laughing and reminiscing of older times. We have had alot of those get – togethers over the years and we will always remember them and be thankful for them. We are thinking of you, Kelly and Rick, and your children at this sad time. We will all miss Sue. Love and prayers, Mary Ann and Wirt Franklin
