“ Just yesterday I found out that Tim had passed, and I am deeply saddened that he will no longer be with us. After meeting Tim several years ago at the gym, we quickly became friends, and I always looked forward to seeing him and visiting. In fact, Tim had a lot of friends at the gym, and I know they will all miss seeing him. Personally, if his car was in the parking lot when I arrived at the gym, it always put a smile on my face. When the gym closed, I saw Tim less, but we did get together for lunch on occasion. My life is better for the time I spent with Tim and the memories of him that I have. God bless you on your journey, my friend.

“ Tim is a close personal friend and co-worker at AEP. Over the last three years we spent daily time together. This fall Tim joined me in community service by feeding the homeless a meal at the Tulsa Day Center, something you might not know about him. It is hard for me to accept that he is gone. I have lost a friend. God be with you and your family, my friend. Ron Ross

“ I had the great fortune of being Tim's friend through USMC JROTC at Ben Davis High School. We both excelled in ROTC and the school's Aerospace department. Every team Tim joined elevated because he always gave his best and conducted himself with a dignity and stature that was rare in high school. He made the rest of us want to be better. Tim had a smile for everyone and a quick wit. He will be missed but never forgotten.
