“ Kay and Susie, I am so sad for you. I know how much you both loved this man. He was so much fun and loved life (especially with you, Kay). Susie, when we were kids I remember him chasing us away from his room and threatening us if we came too close, I was scared to death of him! What fun times those years were. I know Eddie will be greatly missed by you both. Love you guys, Sue Lemon

“ So very hard to lose loved ones in our lives, and I will miss so many things about you. We all shared so many fun an crazy times together. Even though the crazy's were gone, they will always be there to talk and laugh about. Gonna really miss ur BBQ ribs and bologna, and how when we would come out to the house, how u always managed to have some sort of dish to try.. Your scoops of peanut butter with chocolate syrup,...? I loved it!!!!!!Now who am I gonna make my extra chocolate pie for? And David will have no one to talk with about horse racing. ?? Eddie u will be missed more than u know..... We love u so much, and it hurt so bad to see u with so much pain, but now that pain is gone. No need to worry, I will watch over my sister, and be there for her .....always. Gonna miss you.... My dear brother-in-law, love you, Jamie Sue ( as u always called me)

“ My devoted, loving husband...You are my world, the love of my life. I don't know how I can go on without you. We were one and had so many plans that we never got to share, but then again we have so many wonderful memories that will be near and dear to my heart forever. My heart is broken and I miss you so terribly. You are in my every thought and I will love you always but I'm relieved that you are at peace now. You are forever in my heart.Your loving wife
