**Floral Reminder**

Fresh and artificial flowers are permitted at ALL TIMES in regulation vases with the exception of March. Please see below.

**December 1st to February 28th**

Any appropriate winter decorations may be placed in the vase or on the ground over the grave. Fresh grave blankets will be removed on February 1st.

**March 1st to March 31st**

To prepare for Spring, the grounds crew will be spraying and fertilizing during the month of March. This requires that all of the vases be turned down. Anyone wishing to save their winter grave decorations must remove them prior to March 1st.

**Memorial Day**

All floral decorations are permitted in both the vase and on the grave. Everything except arrangements in the vase must be removed after one week.

The Floral Haven floral shop offers fresh and silk designs to meet all of your floral needs. If you have any questions or wish to place an order please contact them at 918-459-1252.

**Traditional Ground Burial – Burial Gardens**

Floral Haven currently has 29 gardens that are dedicated to ground burial. A favorite option is the family estate which can accommodate up to 24 burial rites along with many customizations that can be determined with your pre-arrangement specialist.

Memorialization is important to future generations so they may understand those who walked before them.

**Cremation Options**

Floral Haven is in the unique position of having our own crematory where a family can be involved as much or as little as they deem appropriate. When selecting cremation, it is important to remember that memorialization can be customized just as you would with ground burial. An urn can be placed in a cremation garden or with a loved one who has selected traditional burial or a mausoleum. Some of the more personalized options include boulders and benches that add to the aesthetics of the gardens, pedestals which can be designed to reflect tastes, hobbies or interests. We also offer glass front niches which can accommodate mementos of a life well lived can be put on display with the urn.

**History of Floral Haven**

In 1952 the cemetery was rededicated as Floral Haven on the grounds of the old Valhalla Cemetery. Floral Haven was purchased from the Link family in 2008 by NorthStar Memorial Group, a privately owned company dedicated to the care of your loved ones throughout the United States. We are determined to serve our families by following these three simple rules:

- **Care**
  Care for the deceased
- **Comfort**
  Comfort those who are left behind
- **Plan**
  Plan for the future through pre-arrangement

Floral Haven has continued to evolve through the years to best meet the needs of our patronage by developing new areas and providing you with more options than ever before.

-_Our Promise_

We are passionate about the families we serve; recognizing that each family is different and has unique needs. We stand prepared to be of service in any manner possible; All-Need, Pre-Need, and After Care. We stand behind our services with a 100% satisfaction guarantee.
